## CAREER OBJECTIVE

Highly motivated Computer Science student specializing in Artificial Intelligence and Data Science, with hands-on experience building Machine Learning models and data-driven applications. Seeking an entry-level opportunity to apply technical skills and contribute to impactful software development projects.

## EDUCATION

**Bachelor of Technology – Artificial Intelligence & Data Science** **2022 – 2026**
Sree Rama Engineering College | CGPA: 75%

**Intermediate (MPC) – Sri Chaitanya Jr College** **2020 – 2022**
Percentage: 70%

**SSC – Ravi Teja E.M High School** **2007 – 2020**
Percentage: 95%

## TECHNICAL SKILLS

**Languages:** Python, Core Java, HTML, CSS

**Machine Learning:** Supervised Learning, Regression, Classification, Feature Engineering

**Databases:** MySQL

**Tools & Platforms:** Git, GitHub, Kaggle, Web Scraping (BeautifulSoup/Requests)

**Frame works:** Langchain, Langgraph, PyTorch, FASTAPI

## PROJECTS

**House Price Prediction Using Machine Learning**

- Developed a regression-based ML model to predict house prices using the Kaggle dataset.
- Applied data preprocessing, feature selection, and model evaluation techniques to improve prediction accuracy.

**Personalized Chatbot With Memory**

- Built a Chatbot that Remember Convo using Short-Term Memory using Langgraph
- Model is connected with Tools (RAG, Browser Search, GitHub Actions) and performs actions Efficiently

**Amazon Web Scraper**

- Created an automated web scraper to extract product data from Amazon and export results to Excel.
- Implemented using Python with data parsing and file generation capabilities.

**Basic RAG chatbot using Langchain**

- Designed and developed a RAG chatbot using Langchain, Where it Accurately Retrieve Respond to User Query Based on the document provided

## CERTIFICATIONS

- Software Engineering – NPTEL
- R Programming Basics – edX

## ACHIEVEMENTS

- Secured 1st position in the Science Fair competition conducted by ISRO at Mohan Babu University.

## LANGUAGES

Telugu (Native), English (Professional)
